"I'm a little man," said Mr. Hummell last evening as he smilingly collected his total of \$1,400; "therefore I only order small bottles, Mr. Swan, but I'll order a small bottle for each one of your hundreds."

And then the curtain desceded. So did the champaign. Hummull won \$4,000 in all the election.

Makes the Weak Strong

The marked benefit which people in run down or weakened state of health derive from Hood's Sarsaparilla, conclusively proves the claim that this medicine "makes the weak strong." It does not act like a stimulant, imparting actitious strength from which there must follow a reaction of greater weakness than before, but in the most natural way Hood's Sarsaparilla overcomes that tired feeling, creates an appetite, purifies the blood, and, in short, gives great bodily, nerve, mental and digestive strength.

Fagged Out

"Last spring I was completely fagged out. My strength left me and I felt sick and miserable all the time, so that I could hardly attend to my business. I took one bottle of Hood's Sarsaparilla, and it cured me. There is nothing like it." R. C. BEGOLE, Editor Enterprise, Belleville, Mich.

"I derived very much benefit from Hood's Sarsaparilla, which I took for general debility. It built me right up, and gave me an excellent appetite." ED. JENKINS, Mt. Savage, Md. N. B. If you decide to take Hood's Sarsaparilla do not be induced to buy anything else instead. Insist upon having

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a lew days he began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the beat doctor in Earth Rapids, Mich., and he doctored him for two weeks and he grew worse all the time; and then I took him; to Jackson, to a doctor who attends especially to sain dis-

pecially to axin dis-eases, and then he got worse than every. Then I teld my hus-band we had better

we months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be baldheaded. There was not a spot on his whole body, face, and head, only his nose and eyes, but what was as raw as beef-steak. So poor that there was not anything but bones, and so weak he could raise neither hand nor head.
